How to Enter Your VAT Number for VAT Deduction at Checkout

FAQ · https://handyplugins.co/docs/how-to-enter-your-vat-number-for-vat-deduction-at-checkout/

If you're a business customer located in the EU, you might be eligible for VAT deduction.

You can simply enter your VAT number during checkout, and VAT will be automatically removed from your order — quick and easy!

If you missed entering your VAT details during checkout, no worries! You can still access your receipt after the purchase and add your VAT number directly on the receipt.
